A large-scale nursery under a black shade net. The nursery is filled with rows of green seedlings growing in black trays. The trays are arranged in long, parallel rows, and the seedlings are densely packed. The shade net is supported by a metal frame of vertical posts and horizontal beams. In the background, a few people can be seen working in the nursery. The overall scene is a well-organized and productive agricultural setting.

An aerial photograph of a vast forest landscape. A dirt road winds through the terrain, which is a mix of dense green coniferous trees and cleared areas with visible tree stumps and debris. In the background, rolling hills and mountains are visible under a clear sky. The Greek word 'Αναδασώσεις' is overlaid in the center of the image.
